

October Newsletter 2016

Wikewik'us – Animal Fattening Moon

Happy
Halloween

Submitted by Marie Kryszko:

Jesse Perley, First Nations Residential Customer Advisor, will be at the Pabineau First Nation Band hall to present and discuss Energy Efficient project. The Pilot Project, they believe will reduce energy consumption while increasing energy efficient homes in our community. The

Energy Efficient Products he will be discussing and further installing in our homes as part of the program are as follows:

- ✓ LED Light Bulbs
- ✓ Water-efficient shower heads
- ✓ Digital thermostats
- ✓ Hot water pipe installation
